SINGAPORE STUDIO POLICIES

Class Packages

- We charge an **extension fee** of SGD10 for every additional two weeks (only applicable to per class packages if it has not yet expired).
- We seek your understanding that once package expires, there will be no further extension and expiration is final.

In-Studio Classes

- Please arrive **10 mins early** for your class, so you can do the mandatory safe entry check-in and inform us if you have any injuries.
- We regret to inform you that **Late Comers** will not be allowed to enter in the class to prevent disruption.
- Wear **comfortable fitness attire** and bring a small towel and water.
- Grip socks are **mandatory** for hygiene and safety reasons. Feel free to bring your own, or plan to purchase a pair at the studio.
- We have a **8-hour cancellation policy** on all in-studio classes. No-shows or cancellations received outside the policy window will be charged at full single session rate of your package.
- As of 10 August 2021, under Singapore's Ministry of Health Covid-19 guidelines, **fully-vaccinated individuals** may participate, in groups of up to 5 persons, in higher-risk activities where masks are removed. Please **show your Safe Entry Trace Together App** to the front desk upon check-in.

Livestream Classes

- Please log on **5-10 minutes before class** starts to allow time to settle in and make sure to select "Join Audio". New clients may be admitted a few minutes prior to class so the teacher may be informed of any injuries. Clients who arrive over 5 minutes late will not be permitted to join and will be marked as absent
- Equipment is **optional**, though a mat, light hand weights (or equivalent) and a ball are recommended for added challenge and dimension. You will also need a stable surface to hold on to, such as the back of a chair, countertop or simply a wall.
- We have a **4-hour cancellation policy** on all livestream classes. The aforementioned no-shows or cancellations penalties may apply.
